Lainie Remembers

For the procedure of Government it was then arranged that the Empresses should daily hold joint audiences in the side Hall of the main Palace. Of course if that postponed suicide is close enough to the end of the story that the reader could reasonably expect it to occur at its end or you're not close to the end, but the pace of your narration makes it still reasonable to expect the suicide to be at the end then the question of whether the character commits suicide may of course also be a source of tension.
