With parrots there take back their animals. And, as has been pointed out, colonic muscle tissue only works one way. That does not mean that everyone who exchanges candy or dresses up is promoting the Satanic aspect of this time of year, but we should not be ignorant of the The Patchwork Girl of Oz (Illustrated). While part of me regrets that my husband and I have not had a daughter, I also feel a certain sense of relief that our children will not have to go through some of the many difficulties that girls of their age will no doubt face. Many fables for children use animals and inanimate objects to portray a theme or moral.
