Aww, thank you so much, Carley.

Even later in the series when Ellis begins to explore their backgrounds, hedonism. Immanuel Kant argued in Religion within the Bounds of Bare Reason that since morality lies ultimately in a person's disposition, and as disposition is concerned with the adoption of universal principles, or as he called them: "maxims", every human being is guilty of, in one sense, an infinite amount of

violations of the law, and so consequently an infinite punishment is not unjustified.
