## **Encyclopedia Of Physical Science And Technology - Biochemistry**

But it may be that the next generation of readers will place considerably less value on the actual artifact than on its contents; enjoying an online copy of a portrait as much as seeing the original in a gallery. A properly designed analysis would take into account whether locally mitigated delay reduction through scheduling might propagate delays to other parts of the system without a systemwide reduction in delays.

## **The Samurai Way**

Rentsch, J.
